#### TIME IS THE TEST

The Testimony of the People of Barre Stands the Test.

The test of time is what tells the tale. The public soon find out when misrepresentations are made and merit alone

will stand the test of time. Barre people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as rep-resented? A cure that lasts is the kind that every sufferer from kidney ills is

that every sufferer from kidney ills is looking for.

Norman B. York of 4 Prospect street, Barre, Vt., says: "Several years ago I gave a statement for publication telling what Doan's Kidney Pills had done for me, and I can now say that on account of the permanent cure they made in my case I can more highly recommend them than ever. I had been subject for six years to kidney trouble which I think was caused by a strain. I had awful pains in my back and a kidney weakness that showed those organs were affected. If I stooped it was with the greatest difficulty that I could regain an erect position. I used Doan's Kidney Pills, which I got at E. A. Drown's, and they proved wonderfully beneficial from the start. The pains in my back ceased and the action of the kidney secretions was regulated. During the years which have elapsed since that time there has never been the slightest return of the trouble, and I think this is good evidence that Doan's Kidney Pills cure permanently."

For sale by all dealers. Prick 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
